

Quality Improvement Plan - 2017

Quality Area 1 Educational Program and Practice

Each child's learning and development is assessed as part of an ongoing cycle of planning, documenting and evaluation

Quality Area 2 Children's Health and Safety

Healthy eating is promoted in our Centre and families are supported to develop knowledge of healthy food choices

Quality Area 3 Physical Environment

Our Centre takes an active role in caring for its environment and contributes to a sustainable future

Quality Area 6 Collaborative Practices with Families and Communities

The knowledge and experience of families is recognized and they share in decision making about their child's learning and wellbeing

Quality Area 4 Staffing Arrangements

Staff use education professional standards to guide their practice, interactions and relationships with children and adults

Quality Area 5 Relationships with Children

Staff and educators will develop positive relationships with all children

Quality Area 7 Leadership and Service Management

Staff will regularly have opportunities to discuss the development of their professional practice and skills with other professionals
